Hi Melissa,

There are no other interagency comments. Could you please prepare the clean copies? I have opened up the package in ROCIS for agency upload.

Thanks,

Hi Danielle,

I am pleased to provide EPA's responses to the interagency reviewer comments. The draft guidance document and draft FR document include our redline edits and responses to the comments that were received from the interagency reviewers on 12/15/2018 and 1/30/2019 and the comments that were discussed during our call with DOJ on 2/14/19.

Please let me know if you have any questions. Also please let me know if you would like to schedule a call with the interagency folks to discuss our responses.

Thanks!
